# PREFABRICATED LIFT STATION SIDINOX

**SIDINOX**, a new, READY TO INSTALL lift station concept, made from stainless steel with a 25 year warranty against corrosion.

- ■■■■ ■■■■ - ■■■■■■■■
- COMPOSED IN STAINLESS STEEL, NON-OIL BASED MATERIALS;
- ECONOMICAL, ROBUST, INNOVATIVE AND SUSTAINABLE;
- DELIVERED READY TO INSTALL AND QUICK TO CONNECT;
- BENEATH ROAD SURFACES OR GREEN SPACES WITHOUT NEED FOR VALVE VAULT;
- EQUIPPED WITH OverWatch® PUMPING SYSTEM (no odors, no gas, no screening of trash, no wet well, no periodic cleaning needed).

- Basic and advanced modules enable you to set up the configuration that meets your own requirements.
  - Sidinox ranges from 1.2m to 2.5m diameter stainless steel (EN1.4306) sealed units which house all the equipment required for its operation.
  - The SIDINOX can be fitted with OW11-1.5kW up to OW151-55kW system.
  - They are pre-assembled with pipework, valves, access ladder and by electrical panel with ventilation.
- For over 10 years, we have continued to innovate and developed OverWatch® to make it not only the complete, clean, safe and environmentally friendly solution, but especially ECONOMICAL!  
Let's compare a traditional pumping system with the direct in-line pump system OverWatch®:
